Game Icons — Assets for Unity — by makaka.org

Disclosure: This website may contain affiliate links, which means I may receive a commission (as an associate of Unity Asset Store and other 3rd parties) if you click a link and purchase something that I have recommended. While clicking these links won't cost you any money, they will help me fund my dev projects while recommending great assets!

Check Also: Complete Tutorial for Publishers on Unity Asset Store but rather on how to Create and Sell Unity Assets as effectively as possible. The knowledge in the tutorial is universal and independent of the Render Pipeline and Asset Category.

Here you can find absolutely free game icons.
